CommScope, Inc. Plan B**

This Summary of Dental Plan Benefits should be read along with your Certificate. Your Certificate provides additional information about your Delta Dental plan, including information about plan exclusions and limitations. If a statement in this Summary conflicts with a statement in the Certificate, the statement in this Summary applies to you and you should ignore the conflicting statement in the Certificate. The percentages below are applied to Delta Dental's Maximum Approved Fee for each service and it may vary due to the Dentist's network participation.*

* When you receive services from a Nonparticipating Dentist, the percentages in this column indicate the portion of Delta Dental's Nonparticipating Dentist Fee that will be paid for those services. This Nonparticipating Dentist Fee may be less than what your dentist charges, which means that you will be responsible for the difference.

The explanation and sample calculation of how these services will be paid can be found in Section VI – How Payment is Made in your Certificate.

- Oral exams (including evaluations by a specialist) are payable twice per calendar year. Screening and assessment of a patient are payable twice per calendar year.
- Prophylaxes (cleanings) are payable twice per calendar year. Two additional periodontal maintenance procedures are payable per calendar year for individuals with a documented history of periodontal disease. Full mouth

debridement to enable a comprehensive oral evaluation and diagnosis on a subsequent visit is payable once in any three-year period.

- People with specific at-risk health conditions may be eligible for additional prophylaxes (cleanings) or fluoride treatment. The patient should talk with his or her dentist about treatment.
- Fluoride treatments are payable once per calendar year for people age 13 and under.
- Space maintainers are payable once per area per lifetime for people age 15 and under.
- Bitewing X-rays are payable once per calendar year and full mouth X-rays (which include bitewing X-rays) are payable once in any five-year period.
- Sealants are payable once per tooth per three-year period for first and second permanent molars for people age 13 and under. The surface must be free from decay and restorations. Preventive resin restoration for first and second permanent molars in a moderate to high caries risk patient is payable once per tooth per five-year period. Interim caries arresting medicament application is payable once per tooth per five-year period.
- Crowns and substructures are payable once every ten years. Veneers are payable once every ten years when necessary due to fracture or decay.
- Composite resin (white) restorations are payable on posterior teeth.
- Porcelain and resin facings on crowns are payable on posterior teeth.
- Pulpal regeneration is a Covered Service once per lifetime.
- Localized delivery of chemotherapeutic agents is payable with no limitations.
- Vestibuloplasty is a Covered Service. Sinus augmentation and bone replacement graft for ridge preservation are payable once in any ten-year period when performed in conjunction with implants.
- Full and partial dentures are payable once in any ten-year period. Reline and rebase of dentures are payable once in any three-year period. Adjustment and repair of dentures are payable once in any twelve-month period.
- Bridges are payable once in any 10-year period.
- Implants are payable once per tooth in any 10-year period. Implant related services are Covered Services.
- Crowns over implants are payable once per tooth in any 10-year period. Services related to crowns over implants are Covered Services.
- Consultations (by other than the treating dentist) are payable once in any twelve-month period. Cleaning and inspection of removable denture is payable once in any six-month period. Occlusal guards, therapeutic parenteral drugs, application of desensitizing medicament and application of desensitizing resin for cervical and/or root surface (per tooth) are payable without limitations. Occlusal guard adjustments are payable once in any three-year period. Occlusal adjustments are payable once in any twelve-month period.

Having Delta Dental coverage makes it easy for you to get dental care almost everywhere in the world! You can now receive expert dental care when you are outside of the United States through our Passport Dental program. This program gives you access to a worldwide network of dentists and dental clinics. English-speaking operators are available around the clock to answer questions and help you schedule care. For more information, check our Web site or contact your benefits representative to get a copy of our Passport Dental information sheet.

Maximum Payment – \$2,000 per person total per Benefit Year on all services except orthodontic services. \$2,000 per person total per lifetime on orthodontic services.

Payment for Orthodontic Service – When orthodontic treatment begins, your Dentist will submit a payment plan to Delta Dental based upon your projected course of treatment. In accordance with the agreed upon payment plan, Delta Dental will make an initial payment to you or your Participating Dentist equal to Delta Dental's stated Copayment on 30% of the Maximum Payment for Orthodontic Services as set forth in this Summary of Dental Plan Benefits. Delta Dental will make additional payments as follows: Delta Dental will pay 50% of the per monthly fee charged by your Dentist based upon the agreed upon payment plan provided by your Dentist to Delta Dental.

Deductible – \$50 Deductible per person total per Benefit Year limited to a maximum Deductible of \$150 per family per Benefit Year. The Deductible does not apply to diagnostic and preventive services, emergency palliative treatment, brush biopsy, X-rays, sealants, and orthodontic services.

Waiting Period – Enrollees who are eligible for Benefits are covered Employees are eligible on the first day of employment.

Eligible People – All full-time and part-time employees as defined by the group. The Contractor and Subscriber share the cost of this plan.

Also eligible are your Spouse and your Children under age 26, including your Children who are married, who no longer live with you, who are not your Dependents for Federal income tax purposes, and/or who are not permanently disabled.

Enrollees and dependents choosing this dental plan are required to remain enrolled for a minimum of 12 months. Should an Enrollee or Dependent choose to drop coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may only enroll if the Enrollee is enrolled (except under COBRA) and must be enrolled in the same plan as the Enrollee. An election may be revoked or changed at any time if the change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

Coordination of Benefits – If you and your Spouse are both eligible to enroll in This Plan as Enrollees, you may be enrolled together on one application or separately on individual applications, but not both. Your Dependent Children may only be enrolled on one application. Delta Dental will not coordinate Benefits between your coverage and your Spouse's coverage if you and your Spouse are both covered as Enrollees under This Plan.

Benefits will cease at the end of the month following termination.
