DELTA DENTAL®

Did you know direct deposit can help protect you against theft while increasing speed of payment?

Learn how you can sign up for FREE!

Don't be a victim. Protect your payments!

Ready to get paid faster?

Free instant claims processing is available through the Dental Office Toolkit® (DOT). Claims enter directly into our processing system, and most routine claims process instantly. Explanation of Benefits statements (EOBs) can be viewed and printed immediately. See Delta Dental's expected payment and the patient's copayment before your patient leaves the office!

Enroll in direct deposit, and Delta Dental will send claim payments electronically to your designated bank account within two days of claim completion. Payment can be in your bank account in as little as 48 hours!

For your convenience, both paper and electronic claims can be paid by direct deposit. Be sure to choose "National EFT" during the enrollment process to include all claims submitted nationally.

To enroll in direct deposit:

To enroll, visit your state's Delta Dental website, select Dental Office Toolkit from the Toolkit options, and log in. (If you're not currently a DOT user, you will need to complete a short registration process to set up your account.) Once you are logged in to DOT, follow the link to enroll in direct deposit. Direct deposit account activation typically takes seven days from the date of registration. Once enrolled, pre-treatment estimates, EOBs and information requests will no longer be mailed to your office; instead, you will have instant access to the documents online.

SAFE

- *Reduces the number of people who have access to your private information*
- *Protects payments from getting lost, stolen or delayed*

SIMPLE

- *Payments go directly to your account and funds are available immediately*
- *Receive instant access to payment history and store EOBs electronically*

SECURE

- *Transfers are routed through approved banking channels in highly protected formats*
- *Dental Office Toolkit meets and exceeds all privacy and security standards*

SMART

- *Speeds up payments by eliminating time necessary to print and mail checks*
- *Both paper and electronic claims can be paid by direct deposit*

Visit www.toolkitsonline.com/dot to register your office.
