

Introducing Relay Network!

Coming soon from Delta Dental of North Carolina

What is Relay Network?

Relay Network messaging is a new communication channel from Delta Dental of North Carolina that keeps you updated on important account information, sends surveys, shares timely news, and more!

This channel will be accessed via text message to your cell phone.

Delta Dental of North Carolina is committed to protecting your personal information and will never use this channel to share any sensitive account information. Personal information can only be accessed by logging into member portal.
